

Join the PTSA! 2011-2012 School Year

Last year our PTSA had over 100% membership and we would like to continue that this year! As many of you know, the PTSA is instrumental in bringing our children the high quality learning environment they enjoy here at CVES.

What we are doing this year:

- Grant money to the school for classroom supplies and field trips
- Grant money for school support such as Recreational Specialist and Instructional Aides
- Guest speakers
- Family Fun nights
- After school enrichment programs
- Teacher appreciation
- and so much more.....

Your membership includes a student directory, a vote at our general meetings, voice in where the PTSA is headed and allows you to participate in enrichment activities.

- Membership fees (*make checks payable to CVES PTSA*):
 - \$20.00 - (2 adults) most common membership .
 - \$15.00 - (Individual) perfect for singles and/or grandparents.
