

Join CVES PTSA!

2009-2010 School Year

All PTSA members will receive a copy of the **2009-2010 Student Directory** and important communications about school events and programs. Please join – let’s all get connected to promote our children’s school success! Our goal is 100% membership. What does it mean to have more members? It’s a tangible way of defining “parent involvement” and a meaningful way to say “we care about our students.”

Membership fees (make checks payable to CVES PTSA):

- Family membership (2 adults): \$15 – Most common membership
- Individual membership (1 adult): \$10 – Ideal for singles and/or grandparents
